

4.1.11 / BMW CCA Club Racing Signs with Lockton Affinity

BMW CCA Club Racing is pleased to announce the signing of Lockton Affinity as an Associate Club Racing Sponsor for 2011 and 2012. Lockton Affinity is the program division of Lockton Companies, the largest privately held insurance brokerage firm in the world. Lockton Affinity provides Storage, Transit, and Paddock (STP) insurance for Club Racers as well as High Performance Driving Event (HPDE) insurance for non-racing track events.

The BMW CCA STP Insurance Program provides affordable STP insurance for racecars, trailers, tools and equipment, and parts and spares. Best of all, this program is delivered through an easy-to-use online platform; policies can be purchased in as little as 5 minutes. Plus, BMW CCA members will receive a 5% discount! Lockton Affinity will also offer a non-required sticker for CR cars and a portion of the policy premiums will benefit BMW CCA Club Racing.

"I dealt with Lockton Affinity as I was searching for a new STP vendor for my BMW race car", said Chris P. Lewis, Director of Sponsorship for BMW CCA Club Racing. "I found they had the most detailed program in terms of documenting my car value. And, they offered me the lowest total cost program for the CM #175. We are excited to sign with a sponsor that offers a product that has such a good fit and application value for our racers."

If you have questions about the program, please call **(800) 694.8565** or email **bmwstp@locktonaffinity.com**. For more information, or to purchase a BMW CCA STP policy, visit **www.bmwcca-stp.locktonaffinity.com**. Please support all of our valuable sponsors; without them we would not be able to bring you a racing program.
